A tribute to ABBA

The Girls from Abbaland was formed in 1998 and quickly became one of the premier ABBA Tribute acts in the UK.

Typically performing as a duo – 'Agnetha' and 'Frida', they can also augment to include a keyboard player and guitarist who, as well as being superb musicians and back-up vocalists, act the part of Benny and Bjorn to perfection.

Playing a set-list that includes all the best-loved ABBA classics, The Girls from Abbaland can cater for functions of any size complete with a high quality sound and light system and costume changes.

The show, whether performed as a duo or a four-piece, has been choreographed and vocally arranged to the highest of standards whilst not forgetting the essential ingredient necessary to any ABBA tribute. Loads and loads of FUN!
